

WHO IS JESUS?

Getting Started

1. How is the Demonic understood in your culture or by the people you came from?
2. Has God ever challenged the way you perceive those who are different from you? Have you ever had a cross-cultural experience where you saw Jesus at work in surprising ways? How did that experience grow your love for Jesus and others?

Digging deeper (Mark 7:24-20)

3. Why do you think Jesus' initial response is the way it is? Who are the "children" and who or what are the "dogs"? What is happening in this exchange?
4. What is revealed about the heart of the woman in her response to Jesus?
5. How can we be more like the Syrophenician woman in this story? Do you have a heart cry like she did?
6. Read 2 Kings 5:1-18. How is the posture of the Syrophenician woman differ from that of Naaman? What does looking at these two stories together teach us?
7. How does your vision of God need to expand in light of this passage?
