# WHO IS JESUS?

### Getting Started

- 1) Who in your family packs too much?
- 2) What messages from advertising and culture have you see that ask us to change? What kind of change is being suggested?

### Digging deeper (Mark 6:7-13)

- 3) What was the significance of the disciples' assignment to the spread of the kingdom of God? Could this have been accomplished by Jesus himself? Why or why not?
- 4) What do you think was the major benefit gained by the disciples in this story?
- 5) In what ways has God sent you to share His message of hope and change? How "successful" have you been?
- 6) Martin Luther said that the Christian life is not a single act of repentance but a life of repentance. Do you agree? What does ongoing repentance look like in your life?
- 7) Pastor Joel highlighted the importance of "showing and telling" people the Jesus way. How can you embody that to your family/regular contacts/random connections? How can you share how God has changed/blessed you? Share a story with your group of how God has been at work in your life!
