

WHO IS JESUS?

Getting Started

1. If you went deaf, which sounds would you miss hearing the most?
2. The deaf man was brought by others to Jesus, what role did the people around you have in bringing you to Jesus and who were they? Who is in your life right now that you bring to Jesus?

Digging deeper (Mark 7:31-37)

3. The Crowd said “He has done all things well” about Jesus. Do you say the same? If not, what would it take for you to be able say the same?
4. What are the things about you that make you feel too unclean, unworthy or unwanted, to go to Jesus?
5. When you disagree with someone how much are you able to deal with the person in front of you instead of focusing on their problems?
6. What is it about Christ that draws/drew you in? What are the aspects of God that make you feel uncomfortable?
