

Getting Started

1. Who are the people who know you really well. How does their knowledge of who you are effect the way they communicate with you?
2. Do you have any family traditions around prayer from your childhood? What about with your family now? What are they and how did they impact you?

Digging deeper

3. What are your biggest obstacles when it comes to prayer?
4. Who do the people around you (work, school, family etc) say Jesus is?
5. Have there been aspects of who Jesus is that were obscure at first but have come into sharper focus as you've walked in faith?
6. Are there any biblical truths or ideas that still seem blurry to you now? What would you ask God if he was standing right in front of you ready to answer? What would you want made clear?
