

# WHO IS JESUS?

## Getting Started

1. What's one story from your life that you love so much that you like to share it over and over?
2. Is there a book or a movie or a story that you've heard, read or seen more than once and you noticed things the second or third time that you didn't notice the first?

## Digging deeper (Mark 8:1-21)

3. How did the disciples act the same in the story from Mark 6:30-44? How did they act differently?
4. Have you ever demanded a sign from God before? How did he respond to you? Was it the same as he said to the Pharisees or was it different? Does God always respond when we ask for a sign? Why or why not?
5. We all have "ears but cannot hear" and "eyes but cannot see" at times. What is our response to others when they don't seem to understand? How can we respond to them like Jesus does to the disciples?
6. What answers have you been looking to Jesus for? How might he *himself* be the only answer you need? Pray that he would help you live like this!
