

WHO IS JESUS?

Getting Started

- 1) Mark 1:29 – 45. What's the worst injury or illness you've ever had?
- 2) Have you ever seen a miracle? Share the story with your group!
- 3) Have you ever felt like a leper? Who might the lepers in your community be, and how is God inviting you to treat them?

Digging deeper

- 4) Jesus gets up and leaves while it is still dark to be alone with God, even though he was already one with God. Do you need to change anything about your devotional habits in light of this fact?
- 5) After praying Jesus tells the disciples they should move on to continue preaching instead of staying where they were. What does this tell us about Jesus' priorities?
- 6) Jesus responds in compassion to the crowds and to the Leper, though neither had shown him any great deeds of righteousness. Jason Meyer says "all we need to bring to Jesus is our need". How does that impact your thinking or acting in regards to Jesus?
- 7) How does the spreading of Jesus' miracles impact his message? Why does He command secrecy (v. 44)?
