

# WHO IS JESUS?

## Getting Started

- 1) Have you ever felt Jesus was inaccessible to you? Like there was “no room” for you? What might Jesus be inviting you to?
- 2) When’s the last time you saw something that required great faith?
- 3) How have you experienced “new sight” since you became a follower of Jesus. How is God still showing you to see things differently?
- 4) Have you ever experienced powerful forgiveness from someone? What was that experience like?

## Digging deeper

- 5) Just like the scribes in the story, we sometimes have thought patterns that are incorrect. What thoughts do you have in your heart that Jesus might say “Why are you thinking these things?” about? Is there anything in your heart that you wouldn’t want exposed, but maybe it needs to be? Any questions that might simply need to be said out loud?
- 6) How do your petitions to God change in light of the fact that your sins are forgiven? Are there any sins you’ve committed that God has forgiven, but maybe you haven’t?
- 7) How have we (as society) used labels on others to justify certain things, instead of seeing people as human beings created in God’s image? How have You specifically done that?
