

WHO IS JESUS?

Getting Started

- 1) Jesus models the way of baptism, even though he didn't need to repent because of his divine nature. What have you had modeled for you by parents/role models that you continue to this day? What would you hope you can model for those that look up to you?
- 2) How does Jesus baptism speak to you about the relationship of the Father, Son and Spirit?
- 3) Have you ever felt the spirit lead you to a place or situation that seemed like a wilderness? How did that impact you?

Digging deeper

- 4) What practices/habits can you establish now that will give help you remain devout when a season of wilderness comes?
- 5) How can your attitudes be better shaped by the spirit?
- 6) What *affections* (who and what we love) are shaped by the spirit in your life? Are there any that aren't?
- 7) Where do you look for personal satisfaction? How might God be inviting you to surrender your *appetites* to His Spirit?
