Getting Started

- 1) Share about your hometown and the kind of culture you grew up in. What are some of the expectations you have when you return, maybe to visit family/friends in your hometown?
- 2) Do you think the disciples would have been surprised by the reaction from the people of Nazareth? Why or why not?
- 3) What were some of your objections to Christianity before you came to faith? How were they overcome? What are some objections you've heard from others?
- 4) Have you ever felt judged/restricted because of how people knew you in the past? Even though you had changed since then? How did that make you feel restricted?

Digging deeper

- 5) Where does unbelief show up in your life? Think of areas where you are less likely to pray about or share with others to pray for.
- 6) If someone asked "Why do you think God exists?", what would you say? What about if they questioned the resurrection of Jesus?
- 7) Read Luke 4:24-27 together. What do the details in Luke's retelling of the story teach us about what Jesus means that "no prophet is accepted in his hometown"?
