### Getting Started

- 1) Share one or two superstitions that you have believed or were passed down in your family.
- 2) Have you ever felt ill and whatever doctors try to do, it only seems to make things worse? If not, what do you imagine that would feel like. What would you do?

### Digging deeper

- 3) The woman who was healed believed she only needed to touch Jesus' clothes. What does this belief and the result of it indicate to us about God's love?
- 4) Why do you think Jesus instructed Jairus's family not to tell anyone what they had seen?
- 5) Read 1 Kings 17:7-24. What similarities do you see between this passage and Jesus raising the Jairus' daughter? What are the key differences? What do both tell us about God?
- 6) What are you desperate for from God? (i.e. chronic pain, critically ill loved one, unbelieving loved one, etc.) Take a short time to pray for God to intervene.
- 7) Both Jairus and the woman subjected to bleeding were desperate for Jesus. We have all felt desperate at times. What are your tendencies when things get desperate?
