# WHO IS JESUS?

### Getting Started

- 1) The disciples were likely tired and ready to rest after all their work. What do you like to do to recharge after a period of hard work?
- 2) How would the disciples have felt to reach the shores only to see they would be doing more work? Recall a time where you tried to rest but instead, more was asked from you?

### Digging deeper (Mark 6:31-44)

- 3) Why do you think Mark mentions specifically that the grass was green? What would those in Jesus' time maybe recognize about Jesus in reading this story? (Read Psalm 23 for a clue)
- 4) Read 2 Kings 4:42-44. How is this story similar to Mark 6:31-44? What are key differences? How intentional do you think these two stories are connected?
- 5) How did the disciples respond to the need of the people? What does Jesus' response show us about who He is and how he invites us to see things differently?
- 6) Who are the "sheep without a shepherd" around you? How is Jesus inviting you to point to Him as their shepherd?
